About POS

At POS, we are passionate about transforming commercial spaces into inspiring, wellness-oriented environments. Our success is built on innovation, quality craftsmanship, and a dedication to our clients' vision. We're a close-knit team that values creativity, collaboration, and a can-do attitude in everything we do.

Job Description

We're looking for a Interior Build & Installation Technician with a knack for practical problem-solving and a passion for creating beautiful, functional spaces. Whether you're a gifted DIY enthusiast, a talented amateur carpenter, or someone with a range of hands-on skills, we're interested in what you can bring to our team.

Key Responsibilities:

- Assist in the assembly and installation of bespoke furniture systems and fit-out components.
- Perform a variety of tasks, from site preparation and materials delivery to crafting and finishing work.
- Contribute to a variety of projects, ensuring quality standards and timelines are met.
- Work collaboratively with our team to deliver exceptional results for our clients.

Ideal Candidate Profiles:

- You have a passion for DIY, carpentry, or any form of practical, hands-on work.
- You possess a diverse set of skills and are eager to apply them in a professional setting.
- You have a great attitude, are willing to learn, and can work both independently and as part of a team.

Qualifications:

- A positive attitude and experience working independently and as part of a team
- Previous experience in carpentry, joinery, or related fields is a bonus, but not required.

Application process:

If you're ready to take on this rewarding role and contribute to our team's success, please submit your CV and a cover letter detailing your experience, skills, and why you're the ideal candidate for this position to Rory Inglis, Managing Director, at rory.inglis@posinteriors.com

WE CREATE SPACES THAT

inspire. motivate. improve
increase productivity & wellbeing
